Subject: CMAS Apnea International Judge Course results.

Dear Mr. DURAN,

Per your approval we organised CMAS Apnea International Judge Course at Kalymnos Island, Greece at 18-19 July 2011.

This course had theory and practice but this time in Greece this practice has not been a real CMAS competition. For that reason, the candidates are mandatory to attend a CMAS competition (national or International but managed by a CMAS International Judge) as Main Judge assistant for practice.

The course is given by Levent UCUZAL and the results are as follows.

Kind regards,

Levent UCUZAL

President of CMAS Apnea Commission
