

**INVITATION  
FINSWIMMING AND ORIENTEERING  
WORLD CUP 2012  
Bad Saag / Wörthersee  
AUSTRIA  
13th - 16th September 2012**

The Austrian Diving Federation Tauchsportverband Österreichs is pleased to invite you to the World Cup Competition in Long Distance Finswimming 2012 and the Final World Cup of Underwater Orienteering 2012. The first time these two disciplines of water competitions take place at the same time and destination.

Wörthersee is a very beautiful lake in the south of Austria. The mountains around, the crystal clear and warm water are the reasons for its attraction for a lot of sports and its popularity for tourists. 50 years ago, in summer 1962 the first international competition in underwater orienteering had been run at Wörthersee in Carinthia. In 2012 we will celebrate this jubilee. A lot of famous Austrian athletes have been competing and winning in these sport disciplines. All the years over Tauchsportverband Österreichs has organized and run World Championships, European Championships and World Cups very successfully.

Now we are glad to welcome you for the 50 year jubilee at a great competition in a beautiful region of Austria. Take the chance, visit Austria and enjoy this event.
