

# World Anti-Doping Agency Programs at the 2013 World Games

Tom May Senior Manager, Program Development

Cali, Colombia

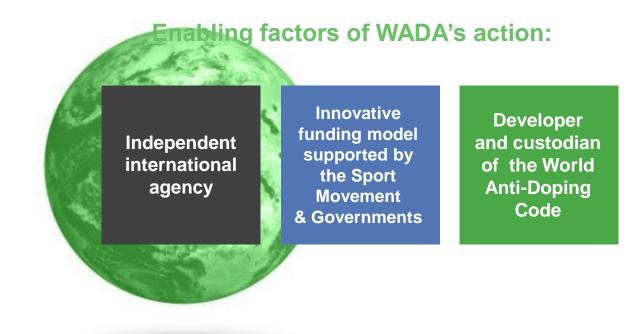

# Why Was WADA Created?

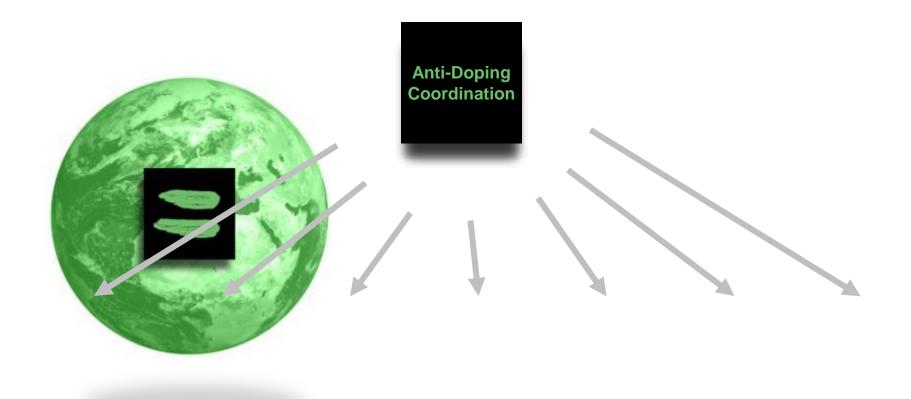

#### **WADA's Mission**

To globally promote, coordinate, and monitor the fight against doping in sport in all its forms.

# **A Comprehensive Approach**

#### **WADA** in Cali

- Executive Office
  - WADA's President, Hon. John Fahey
- Better Practice
- Athlete Outreach
- Prevalence Study

#### **Better Practice**

- Assist Doping Control Program of Games
- Different than traditional Independent Observer Program
- Work with IWGA/LOC/NADO to assist in <u>lead up</u> to Games
- Attend first few days of event to observe/assist
- Co-operative approach try to build model for future events

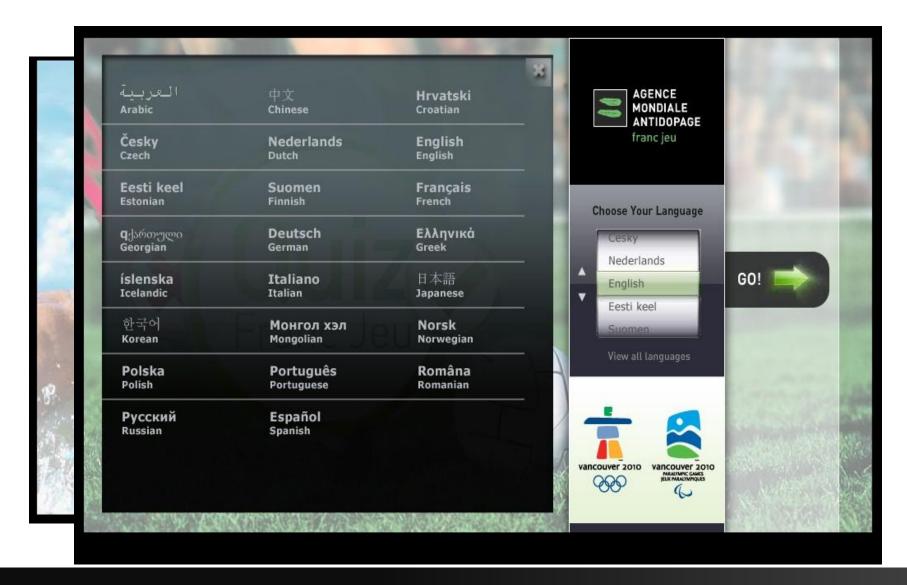

## **Prevalence of Doping**

- Effectively measure the prevalence of doping in sport.
- WADA has developed a social science method.
- Data collection during the World Games.
- All athletes will be subject to questionnaire at time of accreditation.
- Anonymous, short questionnaire: 2 minutes
- Several languages

#### **Outreach Program**

- Implemented at major sporting events
- To raise awareness about anti-doping
- To provide information in a fun and engaging way
- Utilize Social Media and other communication channels to get messages out
- Information and promotional items to raise awareness

#### Play True Quiz

## **WADA Outreach Program**

# THANK YOU WORLD ANTI-DOPING AGENCY
