

Dinner evening and presentation ceremony

The "Ringlokschuppen" is Mülheim's top-address for indoor - and open air events, situated on the other side of the river Ruhr, in a public garden behind the castle "Broich". It's only about five minutes to drive from the swimming pool or 2 kilometers to walk.

The bar and restaurant „**Jedermann im Ringlokschuppen**“ will provide everything you wish after a long tournament day.

We expect you at 7:00 pm for a first drink and open the opulent buffet at 7:30 pm.

At about 8:15 pm the presentation ceremony will take place with individual trophies for the first three places and participation documents for each team.

Finally it's time to party when everybody meets each other for a hot night on the dancefloor and cold drinks at the long bar.

We'll be delighted to see you there!
