OF FINSWIMMING AND APNOEA

2<sup>nd</sup> INTERNATIONAL CHILDREN'S FESTIVAL OF FINSWIMMING

## THE MEXICAN FEDERATION OF UNDERWATER ACTIVITIES AND THE WORLD CONFEDERATION OF UNDERWATER ACTIVITIES CMAS ZONA AMÉRICA

### PRESENT

The V Panamerican Championships of underwater finswimming and speed, the 2<sup>nd</sup> Internacional children's festival of finswimming, will take place in the facilities of the Mexican Olympic Sport Center ; place that symbolizes the Mexican top level sports, the facilities have been recently remodeled, with the advantage of having the necessary infrastructure (bedrooms, dining room, swimming pool for training and final competition), as well as high quality medical care. All in one place to achieve a better concentration for athletes.

The V Panamerican Apnoea Championship, will take place in the state of Chiapas, a place with countless natural beauties. It is located one and a half hour from Mexico City by airplane. The hosting Hotel will be the Holiday Inn in Tuxtla Gutiérrez Chiapas. The championship will take place at the Chiapas University of Science and Arts (UNICACH), swimming pool, the specialties of Dynamic apnea with and without equipment, static apnea, and the test of Jump Blue will be held at the cenote called Chumaltic in the province of Comitan, framed by a beautiful landscape.

These events represent for us a huge commitment to our sports and government authorities, as well as the CMAS and each member of the CMAS ZONA AMERICA.

It is a great pleasure to welcome all the athletes, coaches, judges, managers and companions, to these important Internacional meetings with the hope to establish new records, but most of all, that this encounter distinguishes for the fellowship and sporting fraternity, and we worthily honor the fair play within the Olympic movement.

I would like to thank all the participant countries, and all the volunteers for their invaluable support.

I would like to thank in a very special way , Lic. Carlos Padilla Becerra President of the Mexican Olympic Committee, for his invaluable support; Inst. José Juan Jiménez, President of the Chiapas Association of underwater specialties A.C., Lic. Manuel Velasco Coello, Governor of Chiapas and C. José Luis Orantes Constanzo sports undersecretary of Chiapas for all the support given for the correct organization of these important internacional events.

Rogelio Flores Aguilera

President
