17th-20th September 2015
Gyékenyes, Hungary

4. Bottle filling:

Only organizers are in charge of bottle filling. Maximum filling pressure is 20Mpa (200 bar). Connection possibilities are according to INT and DIN standard. For other extensions, please bring your own adapters.

All participating countries are responsible for adhering to their national rules regarding compressed air diving devices.

All devices will be checked by the Hungarian authorities (MBSZ) before the start of the competition.

5. Other:

Teams arriving by bus or car, please get in touch with the organizers first for registration and other information.

Organizers ask all teams to bring two national flags (2 m x 1 m) and the national anthem on CD.

Organizers reserve the right for any change in the programme. Participating teams will get all information about the changes in time.

This competition will be organised according to the current CMAS rules.

The organizer facilitates the compressor service.

The competitors themselves are responsible for the proper condition of their equipment.

The organizer declines any liability.

All competitors take part at their own risk.
