PROGRAM AND REGISTRATION

TOMSK REGION

Tomsk Region is located in the geographical center of Siberia and belongs to the Siberian Federal District. The city of Tomsk is the administrative center of Tomsk Region, with the population of the former exceeding 500 thousand people. Founded as a military fortress in 1604, Tomsk became the stronghold of the Russian exploration of Siberia. Nowadays the area of the region is 314.4 thousand km², its total population is 1034.9 thousand people.

Tomsk Region is an industrially developed territory. Its industrial sector is dominated by oil and gas extraction industry, chemical, petrochemical and electric power industries as well as instrument making and metal processing. Dynamic development of oil and gas sector is one of prerequisites of sustainable development of the regional economy. Tomsk Region is among top oil and gas producing regions in Russia.

Tomsk Region authorities are aspiring to provide the Region's citizens with the best quality of life in Siberia relying on the model of intensive development. Our region has reached a lot in the last three years in the field of economy diversification. Innovation activity has become an integral part of almost all the branches of the regional economy.

The annual growth of the innovation output constitutes 10-15%. Key per capita indicators of small and medium size business development make Tomsk Region one of the Russian champions in this area.

Tomsk Region may also boast strong research and educational complex. Tomsk State University, founded in 1878, is the oldest university in the Asian part of Russia. National Research Tomsk State and Tomsk Polytechnic Universities are in the 5-100 Federal Project aiming to promote a group of leading Russian universities in the global research and educational market.

THE CITY OF TOMSK

The city of Tomsk is the administrative center of Tomsk region, Russia, located on the Tom River. The city is the oldest in Siberia and is a major educational, scientific and innovation center that includes 9 universities, 15 research institutes, a special economic zone of technical innovation type and 6 business incubators. Tomsk is a member of the Association of Siberian and Far Eastern cities.

The city is rich in monuments of wooden and stone architecture of XVIII-XX centuries. The city's population is 564,910 people.

Sights of Tomsk

The unique monuments of Russian architecture are the main historical value of Tomsk. Among the variety of buildings are world-scale sights. The building of Tomsk State University, a true example of classicism, is among the outstanding attractions. Tomsk is particularly known to have a lot of old buildings made of wood. Tomsk has managed to preserve entire blocks of artistically valuable wooden architecture, parts of streets and houses.

Vegetation

The city has a number of green areas (parks, gardens, groves). Most of them are concentrated in the city center: Lagerniy Garden, City Garden, Siberian Botanical Garden, University Grove, Novosobornaya square, Buff-garden, Igumen park, and others.

Climate

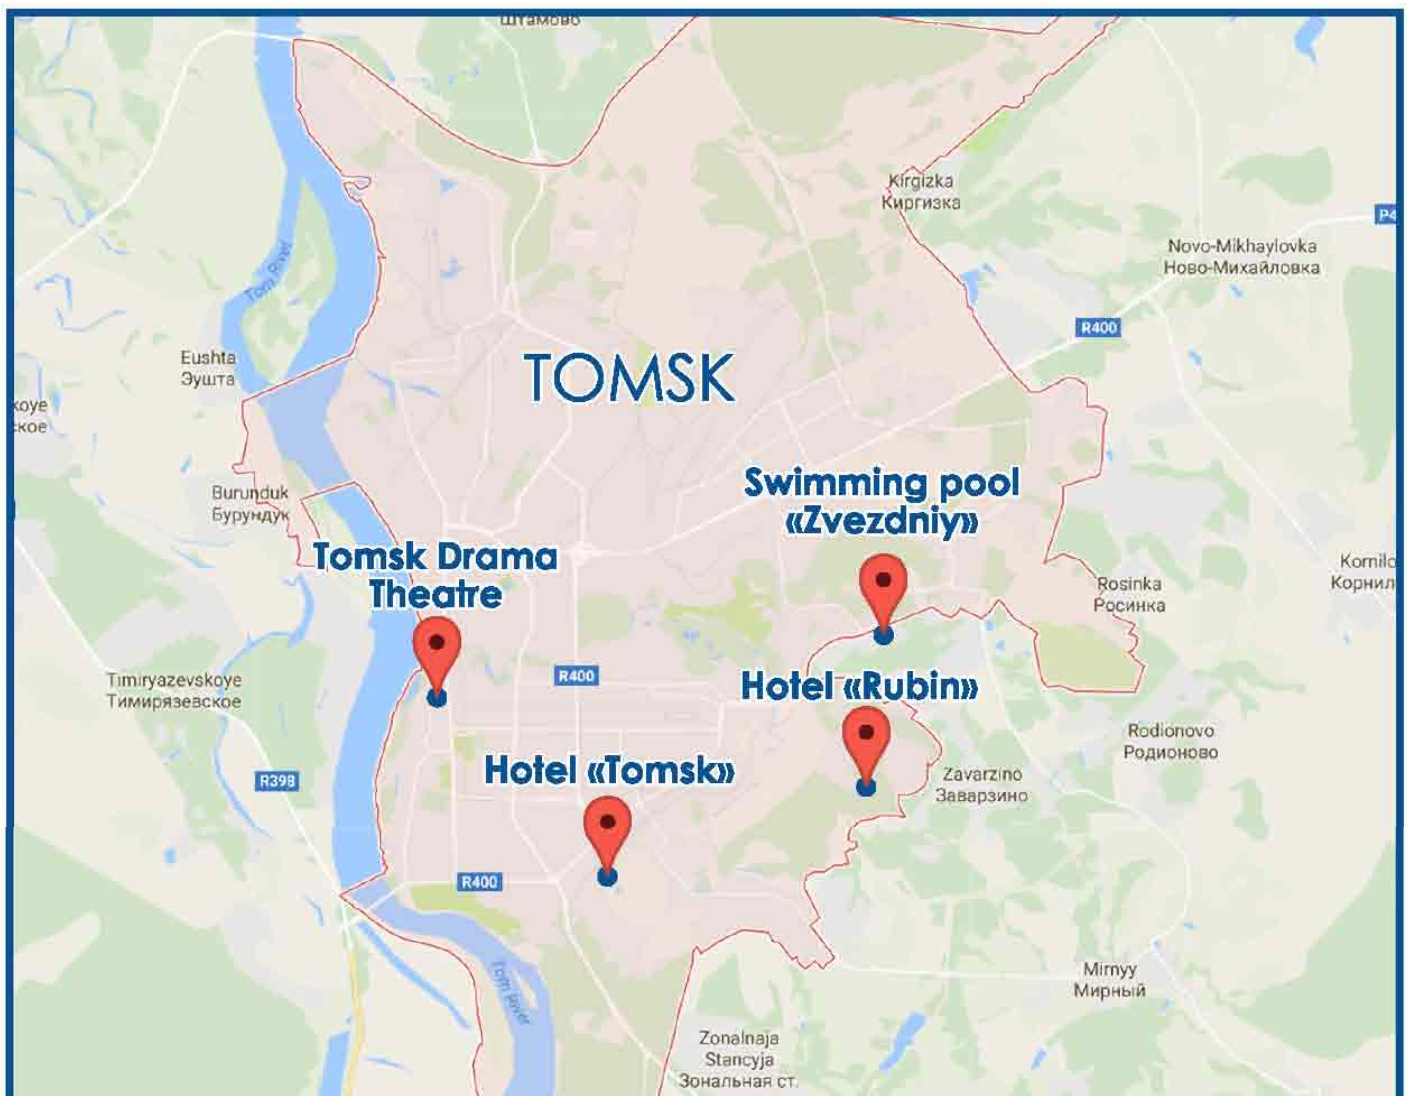

The climate of the Tomsk region is continental with warm summers and cold winters, sharp weather changes in a relatively short period of time (a few days or even hours). In autumn light frost comes, but even after the first frost the weather might become nice and warm for a few weeks. This is called «Indian summer».

SITUATION

SWIMMING POOL

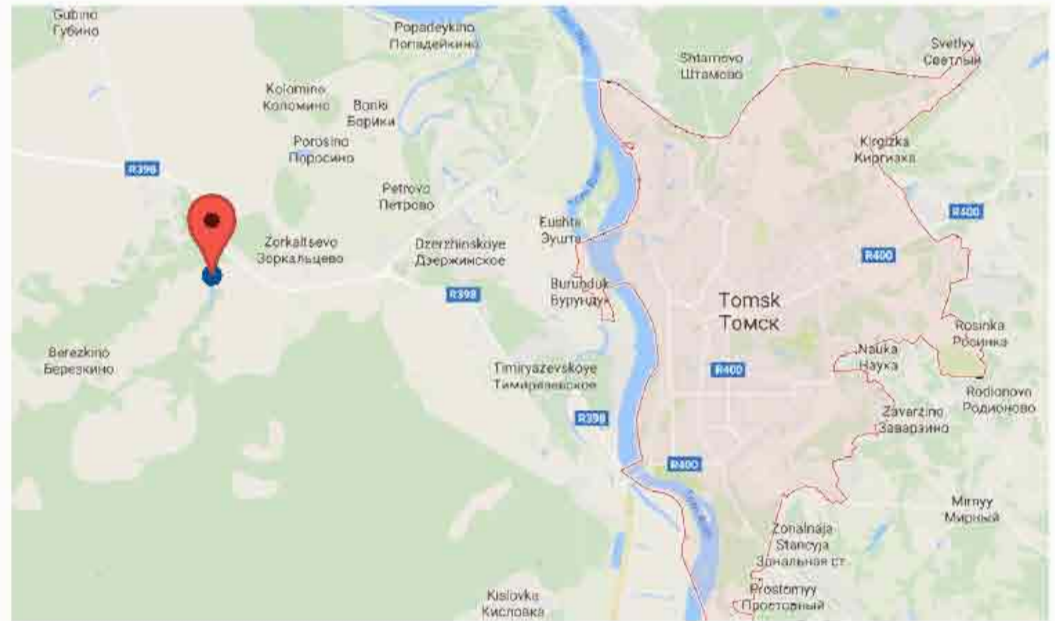

Aquatics Centre Zvezdny is a unique sports facility in Tomsk. The Zvezdny is one of the largest sports complexes in Western Siberia. The main object of the sports complex is an Olympic-size swimming pool where the race course is 50 meters in length. Thanks to modern cleaning technology, the sports complex provides crystal-clear water for activities and recreation all year round.

Total area is 14697.7 square meters. There are two swimming pools in the complex: one is 50x25 m and the other is 25x25 m. The depth of the first one is 2.15 m, of the second one is 3.2 m. The pool is equipped with automatic timing system «Omega» and full-color video display. Pools are divided into 10 lanes. There are three sports halls: hall of dry swimming, dance hall, gym. There are also four saunas, massage rooms for recovery of athletes. The center has a conference hall for 60 seats. There are two video-audio control booths in the «Center of swimming» that can create and edit video and audio signal and transmit information through satellite links. During sporting events the complex can accommodate up to 1400 spectators.

LONG DISTANCE

CMAS

FINSWIMMING WORLD JUNIOR CHAMPIONSHIPS

TOMSK 2017

GENERAL INFORMATION

The competition will take place in Tomsk (Russia) from 31 July to 07 August 2017. Only national federation teams affiliated to the CMAS are eligible to compete in the competition. Each national team should respect the championships rules, the safety conditions set by the organizers and the CMAS rules and regulations.

PARTICIPATION

SWIMMING-POOL EVENTS:

Each country may enter no more than two (2) swimmers for each distance and one (1) relay team.

The entries must reach CMAS headquarters within the time limits set by the CMAS rules on www.cmasoffice.org (§ Point 1.21.1.3 &4 of CMAS Procedures)

World and Continental Championships will be organized over four (4) days and eight (8) sessions.

The qualifying heats are scheduled in the morning and finals in the afternoon except 400 IM, 800 SF and 1500 SF slow heats in the morning and fast heat in the afternoon. For this reason, it's requested to the national federations to send to the CMAS HQ the official protocols of all national selection competitions in delay maximum of two weeks after the competitions (in one of the three CMAS languages). Thus, times of enrollments of the swimmers will be checked for CMAS championships. If the protocols aren't transmitted in this deadline, times of corresponding enrollments will be cancelled and the athletes will be engaged with time 00:00:00.

OPEN WATER EVENTS:

Each country may enter not more than four (4) swimmers for each distance and one (1) relay team.

The relay team is mixed. It is necessarily composed of two female athletes and two male athletes. The starting order is free and is decided by the team leader according to the point 8.2.4. of the Finswimming rules

Only national federation teams affiliated to the CMAS are eligible to compete in the competition. Each national team should respect the championships rules, the safety conditions set by the organizers and the CMAS rules and regulations. Competition is individual in 1 age category (male/female 14-17 years old (2000-2003 year of birth)). Every National team must bring with it two (2) national flags (m. 2,00 x m. 1,00) and a CD with the national anthem.
