### 10.4. RANKINGS & AWARDS

#### Distances rankings:

Classification and Podium will be done for each distance, and category :

- individuals/pair/relay,
- Gold/Silver/Bronze,
- Men/Women/Mixed.

#### Nation rankings:

For this “Nation ranking”, and only for this specific ranking, all the competitors of a same nation will be considered as one global team.

For example, if a nation “A” is represented by several teams, all the teams of this nation will be considered as “team “A””.

*Nation ranking:* for each distance and category, organizer will select from those global teams of Nation, the 2 best results among them and make a classification.

This special ranking constitutes the nation ranking for each distance and category.

Each nation will collect points from this special ranking:

Ranking	Points		Ranking	Points
1	20		10	9
2	18		11	8
3	16		12	7
4	15		13	6
5	14		14	5
6	13		15	4
7	12		16	3
8	11		17	2
9	10		18	1

At the end of each distance, the points collected for this ranking of nations will be added up together nation by nation.

In the end, the first three nations will be awarded.
