

CMAS 2019

16th Finswimming World Junior
Championship

Sharm EL-Sheikh

28th July - 4th August

2019

The Egyptian Diving & Lifesaving Federation have the honor to invite you to the 16th Finswimming World Junior Championship that will take place in Sharm El-Sheikh – Egypt during the period from 28th of July 2019 till 4th of August 2019

For the first time Egypt will be hosting this major event in one of the most spectacular, touristic areas in the world, the city of Sharm El Sheikh on the Egyptian Riviera.

I would like to welcome all competitors wishing they perform at their best in a fair competition where friendship and building bridges between our youth, our future leaders, will strengthen communication between our nations and uphold the precious values that the venue holds as the city of peace.

Wishing all the teams the best of luck

SHARM EL-SHEIKH

Sharm is an Egyptian city on the southern tip of the Sinai Peninsula, in South Sinai Governorate, on the coastal strip along the Red Sea. Its population is approximately 73,000. Sharm El Sheikh is the administrative hub of Egypt's South Sinai Governorate, which includes the coastal towns of Dahab and Nuweiba as well as the mountainous interior, St. Catherine and Mount Sinai. The city is a significant center for tourism in Egypt, while also attracting many international conferences and diplomatic meetings.

Sharm El Sheikh has an international reputation as one of the world's most extraordinary diving destinations in the Red Sea, Egypt as well as its sheltered sandy beaches, clear water, coral reefs and hospitality of its residents. Sharm is surrounded by three protected areas:

Ras Mohammed Natural Protected Park:

Ras Mohamed is a major diving destination with marine life around the Shark and Yolanda reefs and the Thistlegorm wreck. The area is home to more than 1000 species of fish, 40 species of star fish, 25 species of sea urchins among others sea turtles as green turtle and hawksbill turtle.

Sharm El-Sheikh

Sharm El-Sheikh

St. Katherine National Park:

St. Katherine is located in the south of Sinai, it encloses most of mountainous area of central south Sinai including the country's highest mountain Mount Catherine.

Nabq Protected Area:

Nabq is characterized by a great diversity of habitats and ecosystems in a uniquely compact setting, representing a complete terrestrial/marine ecosystem which characterizes the Gulf of Aqaba coast. The coral reefs are among the best and most diverse in the Egyptian Red Sea (208 species of hard coral), and are the home for a great number of fish (438 species) and marine invertebrates

Sharm El-Sheikh is basically divided into three main regions:

Na'ama Bay

The bay is a beautiful paved walkway, lined with bougainvillea and oleander, following the full sweep of the bay. Na'ama Bay is the target for tourists in the evenings where you will find many shops, restaurants, bars and cafes.

Sharm El-Maya

This is the name given to the bay area old town of Sharm El-Sheikh.

The picturesque bay is a natural harbor and home to many small boats.

The beautiful sandy beach has a profusion of palm trees providing natural shade for the sun loungers.

Ras Um Sid Cliff

It is famous for its coral reefs and has a very high cliff where many hotels are situated.

Transportation

Sharm El-Sheikh International Airport

The airport is located in Sharm El-Sheikh, Egypt and it is the third-busiest airport in Egypt after Cairo International Airport and Hurghada International Airport.

Climate

The climate of Sharm El Sheikh is subtropical desert with mild winters and very hot summers, the sun shines all year round

In winter, the temperatures are very mild, and the sky is usually clear. The rains are very rare also in this season. Every now and then, a bit of cold air can arrive, and can lower the night temperature below 10 °C (50 °F)

Spring is pleasantly warm at the beginning, in March, and it becomes hot already in April, when the weather is similar to the Mediterranean summer, while by May the heat is intense.

Summer, from mid-May to September, **is really hot**, with the sun always shining and **very high temperatures**. The air is usually dry, especially on hotter days, but the heat is intense, and the temperature exceeds quite often 40 °C (104 °F), with peaks of 45 °C (113 °F).

Autumn, in October and November, is hot and sunny; sometimes in early October the heat is still intense, then the temperature gradually decreases.

Swimming Pool

The International Youth and Sports City

2019

The International Youth and Sports City is a unique sports facility in Sharm El Shiekh and one of the largest sports complexes as well. The main object of the sports complex is an Olympic-size swimming pool where the race course is 50 meters in length.

There are two swimming pools in the complex: one is 50X25m and the other is 25×12.5m.

The pool is equipped with automatic timing system “ALGE-TIMING” and full-color video display. Pool is divided into 10 lanes. There is a video-audio control booth in the ‘center of swimming’ that can create and edit video and audio signal and transmit information.

During sporting events the complex can accommodate up to 640 spectators.

Long Distance Swimming

Sharm El Maya bay

Sharm El Maya Beach wraps itself some 1.5km around the inside of a pleasant cove in Southern Sinai. The beach is wide and sandy and runs from the ferry port in the South to the cliffs of Hadaba to the North.

Conditions of Participation

Only national federation teams affiliated to the CMAS are eligible to compete in the competition. Each national team should respect the championship rules, the safety conditions set by the organizers and the CMAS rules and regulations. Competition is individual in 1 age category (male / female) 14 – 17 years old (2002-2005 year of birth).

Participation

Swimming-Pool Events:

Each country may enter no more than two (2) swimmers for each distance and one (1) relay team.

The entries must reach CMAS headquarters within the time limits set by the CMAS rules on www.cmasoffice.org (Point 5.1- 5.2- 6.1 - 7.1 of CMAS procedures).

The championship will be organized over four (4) days and eight (8) sessions.

The qualifying heats are scheduled in the morning and finals in the afternoon except 400IM, 400 BF, 800 SF and 1500 SF slow heats in the morning and fast heat in the afternoon. For this reason, it's requested from the National Federations to send to the CMAS HQ the official protocols of all national selection competitions in delay maximum of two weeks after the competitions in English language. Thus, times of enrollments of the swimmers will be checked for CMAS championships. If the protocols are not transmuted in this deadline, times of corresponding enrollments will be cancelled, and the athletes will be engaged with time 00:00:00.

Open Water Events:

Each country may enter no more than four (4) swimmers for each distance and one (1) relay team.

The relay team is mixed, it is necessarily composed of two female athletes and two male athletes.

The starting order is free and is decided by the team leader according to the points 3.4.3 and 8.2.4 of the finswimming rules.
