

12TH CMAS UNDERWATER RUGBY
WORLD CHAMPIONSHIPS
MONTREAL July 07-15 2023

Montréal, September 28th, 2022

Dear CMAS Member Federations,

The **Canadian Underwater Games Association** would like to invite you to participate in the 12th CMAS Underwater Rugby World Championships to be held in Montréal - Canada in 2023.

Please read thoroughly all the information contained in this invitation and return the final entry form (Annex 1) and the hotel booking form (Annex 2) by March 15th, 2023. Please note, that without exception, **no registration will be accepted after the deadline of March 15th, 2023.** A registration is considered as complete only after receipt of the full payment of all non-optional fees: entry fee and 100% of the hotel booking is paid by March 15th, 2023.

1. Governing body: Confédération Mondiale des Activités Subaquatiques (CMAS)

Hosting federation: Canadian Underwater Games Association (CUGA)

2. Valid Procedures and Rules: CMAS UNDERWATER RUGBY INTERNATIONAL RULES, Version June 2021. PROCEDURES AND OBLIGATIONS FOR THE ORGANISATION OF CMAS COMPETITIONS CATEGORY A (World - Continental Championships) Version 2022/013.

3. Team Composition: According to the CMAS rules, chapter 2.2.1, a team may nominate a maximum of 15 players, six in the water, six exchange players and three reserves. A team may consist of less than 15 players but must have a minimum of six players at the start of any match. Once nominated, the team composition of a maximum of 15 players may not be changed. No new reserve players may be nominated after the Championships has started. All players must be registered online at the CMAS website.

4. Exclusion of liability: Participation in the 12th CMAS World Championships is under each participant's own responsibility. The hosting federation doesn't accept any liability for personal or material damages.

5. Venue: Complexe sportif Claude-Robillard. 1000, avenue Émile-Journault. Montréal (Québec) H2M 2E7.

6. The Pool: The competition pool is 20 m x 22 m x 5 m deep, flat bottom with dark blue tiles. Walls are flat with light blue tiles. This is a freshwater swimming pool with a water temperature of 27°C. All the dive platforms around the pool will be removed for the Championships. The Field dimensions are: 20 m length x 10 m width x 5 m depth, with an exchange area of 3 m.

The selected venue includes an adjacent 50 m x 25 m Olympic swimming pool, 2m deep and with 10 lanes with a movable bridge (across the width) dividing the pool into two equal sections of 25 m or two asymmetrical sections of 20 m and 30 m and a hydraulic floor of 20 m x 25 m allowing the depth of the

16. Participation acknowledgement: Participation of your team is accepted by the organizing committee by returning a signed and stamped copy (scan) of the final entry form (**Annex 1**)

17. Medical care: The facilities have a properly equipped nursing room. Different prevention and reaction protocols in emergency situations are practiced periodically. The presence of the pre-hospital emergency care services (paramedical ambulance) takes between 5 to 10 minutes, and a pre-hospital response chain is automatically activated by calling 911. The nearest hospital is located 3.0km north from the venue.

Covid Measures: The Government of Canada announced the removal of all COVID-19 entry restrictions, as well as testing, quarantine, and isolation requirements for anyone entering Canada, effective October 1, 2022. Effective October 1, 2022, all travellers, regardless of citizenship, will no longer have to:

- submit public health information through the [ArriveCAN](#) app or website;
- provide proof of vaccination;
- undergo pre- or on-arrival testing;
- carry out COVID-19-related quarantine or isolation;
- monitor and report if they develop signs or symptoms of COVID-19 upon arriving to Canada.

Transport Canada is also removing existing travel requirements. As of October 1, 2022, travellers will no longer be required to:

- undergo health checks for travel on air and rail; or
- wear masks on planes and trains.

([For detailed information, see official news release from September 26th, 2022](#))

18. Anti-doping code: The hosting federation will apply the CMAS Anti-Doping Rules valid at the time of the **12th CMAS UWR Championships**. Doping is strictly forbidden, and the hosting federation will support the Anti-Doping authorities in their work. Doping controls may be carried out any time during the competition period in accordance with the procedures described in the 2022 WADA International Standard for Testing and Investigations. Athletes who are selected for doping control must bring an official identification (with photo) to the doping test area. The athlete should also bring along their therapeutic use exemption (TUE) if applicable. For more information, please refer to: <https://www.cmas.org/medical/anti-doping>.

19. Playing mode: A detailed playing mode and schedule of games will be sent to all participating federations after final entry has been closed. The composition of the groups in the preliminary round will result from a draw. The pots for the draw will be determined according to the ranking of the last three World Championships. The total number of groups will be decided after the number of participating teams is known. The draw will be done after the publication of the schedule. The place and time of the draw will be announced one week in advance.

20. Timing Schedule: Will be established and issued within two (2) weeks after the registration deadline on March 15th, 2023. Once it's defined it will be available in CMAS web site:

<https://www.cmas.org/underwater-rugby/12th-cmas-underwater-rugby-world-championships>

21. Contact person: Name: Oscar de La Guerra **E-mail:** odelaguerra@gmail.com & Local Organizing Committee: uwrwc.montreal2023@gmail.com.

22. Special requests: In case you want to make reservations of any kind such as a private room, training pool time, etc. Or have any other additional questions, please contact the Local Organizing Committee at uwrwc.montreal2023@gmail.com

23. Age limitations: The age limitation for these Championships will be 18 years old. The athletic age of a competitor is obtained by subtracting his year of birth from the current year. The competitor will compete from January 1st until December 31st of the year in this category.

24. Nationality of athletes participating in CMAS Championships: All the athletes of a national team must have the nationality of the country or submit proof that they are resident in that country for 1 year at least. In the team there can be a maximum of 30 % foreigner's athletes.

25. Additional Rules and Regulation for this Championships

a. Any use of lubricants such as soap, shower gel, creams or Vaseline will be prohibited in the pool area because they severely deteriorate the quality of the water, which in turn degrades visibility in the pool both for players and video cameras. They may be used in the shower area but must be washed off before entering the pool.

b. The amount of people watching games in the water will be limited to 2 per team. We will provide live streaming by the pool.

c. When a penalty throw is called, diving is forbidden to all players not directly involved in the penalty throw's execution for the duration of the penalty throw. If this rule is broken during the Championships, from thereon all players not directly involved in any penalty throw's execution will be required to leave the water. This is meant to improve conditions for video recording.

d. Dress Code: All players of a team must wear matching gear - swimsuits or trunks and jerseys (female) / trunks and jerseys (male) - and caps of the same graphic design. The cut of the players' gear within a team may differ if it is comprised within the rules below.

- i) Men must play in swimming trunks (speedos or shorts up to the knee) and jerseys
- ii) Women must play in either swimsuits or bikini bottoms and jerseys. It is also allowed to play in swimsuits and jerseys. If they wear jerseys, the jerseys also must be uniform for all players and if used, must be worn by all players of a team.

- iii) All players must have their player's number visibly displayed, at least on the back of their suit or jersey, the player's name may be added. The number must be between 15cm and 30cm high. The strokes must be between 1,5cm and 3cm wide.
 - iv) The number must stand out clearly from the background.
 - v) The jerseys must be tight fitted and elastic.
 - vi) The jerseys must be made of fabric, like the fabric of swimsuits or swimming trunks.
 - vii) For men, the jerseys must be long enough to be put inside the trunks.
 - viii) Shoulders shall not be covered by the jersey.
- e.** Should a team not be correctly dressed at game-time, there will be a warning by the referee. If they cannot comply with the dress code within 5 minutes, the team is disqualified for the game and the game is set 20:0 in favor of the opponent.
- i. Backup gear (jerseys and caps in both colors) will be available at the pool if needed for teams to borrow in case of unavailability or loss of their original equipment.
- f.** If a player's jersey gets damaged during a game, the player is allowed to finish the game without a jersey. For the next game, the player must replace the damaged jersey.
- g.** If replacement jersey is not available:
- i. Colors (team white / team dark) will be changed, so the team with the damaged jersey can use the jerseys that are still intact.
 - ii. If both teams have the same-colored jerseys damaged, dark, or white, so colors cannot be changed, both must play with the jersey set borrowed by the organization.
- h. National Teams' Swimsuits and Jersey Approval**
- i. All swimsuits, trunks and jerseys must be pre-approved before the Championships by the UWR Commission by sending an artwork showing the design no latter than: **April 30th, 2023**.
 - ii. To get the approval reply, please send the artwork to the following e-mail addresses: uwr-cmas@vdst.de & uwrwc.montreal2023@gmail.com.
 - iii. Comprehensive equipment check will be performed after each team's training session, during the days before the championship matches start. All equipment to be used during the championship must be presented at this equipment check.
 - iv. Before each match the referees will perform visual and if needed spot-checks of the teams.
 - v. Swimsuits, trunks, and jerseys not pre-approved could be rejected at the championship.
 - vi. The Head of the Local Organizing Committee, Technical Delegate and Chief referee will jointly take the decision if the equipment is according to the rules or not.
 - vii. National Teams Jerseys that have already been approved at other CMAS UWR championships do not need to be presented again.
