Is the Federation affiliated to other international federations managing the same sports disciplines as the ones managed by the CMAS sports commissions? YES NO

If YES, which one(s)	

If YES, CMAS remembers you the 2 following rules

Rule 1

As concerns federations simultaneously affiliated to CMAS and to one or more different international organisations practising, on the sports plan, disciplines registered in the activities of the different CMAS sports commissions it is decided the following

1. *federations being in this status of double affiliation must stop it within and not later than December 31 of the year of the approval of their affiliation to the Sports Committee, deciding at which organisation they trust their interests at international level*
2. *otherwise, it will be up to CMAS Board of Directors*
 - a. *to decide if this situation of double affiliation creates or does not create clash of interests as concerns matters and aims defended by CMAS at international level*
 - b. *to decide if maintain or not the affiliation of this federation to one or more Committees*

Rule 2

If some athletes, members of federations affiliated with CMAS, take part in events organised by not affiliated bodies, and if the here practised disciplines are those normally organised by CMAS, it is proposed that

- 1. the C.M.A.S. sports license of these athletes will be cancelled until Dec.31 of the following civil year;*
- 2. if the participation of these athletes is assured and approved by their affiliated federation, an official warning will be sent to this federation communicating at the same time to stop the participation of their athletes in those events.*
- 3. In case of rejection and recidivism the federation will be excluded:*
 - a. from the corresponding sports commission at the first recidivism;*
 - b. from the Sports Committee at the second recidivism.*

To support this request, I add the eventual recognition of our Federation by the National Olympic Committee of our country.
